

# Hello IP

My name is Mr Plimmer and I am so excited

to be your teacher next year. We are going to have a great year getting to know each other and we will learn a lot!

Just so you know, here are some of the things you will learn in the first term in Year 1.

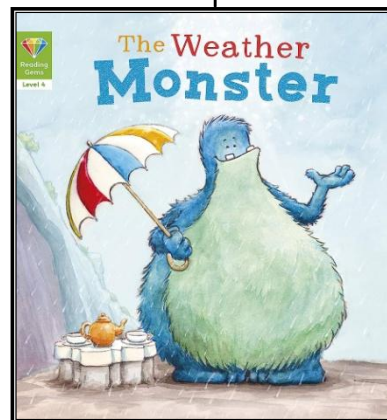

## Splendid Skies

Our first topic is called

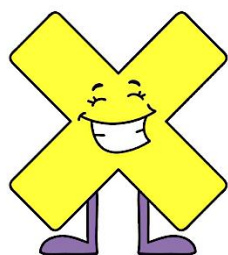

and we will be learning all about the seasons and different weather patterns in the UK.

One of the class texts that we will share is called

**The Weather Monster** by Steve Smallman. This book tells the story of a lonely monster. When the weather monster is sad, it rains — and it has been raining for days! Desperate for sunshine, the villagers send

Tom up the mountain with a cake. But what the monster really wants is a friend. Click [here](#) to listen to the book over the Summer!

We will be focusing on our number bonds to 10 at the start of Year 1 so why not get a head start and practise them before September! e.g  $5+5$ ,  $6+4$ ,  $7+3$ ,  $8+2$ ,  $9+1$ ,  $10+0$

We will also be learning how to spell lots more new words and learning how to use them in our writing. Click [here](#) to see the tricky words you have to be able to spell in Year 1.

I am really looking forward to teaching you and I hope you have a fantastic summer. See you in September!
