

Hello 2T,

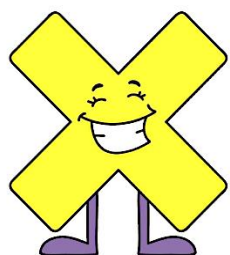

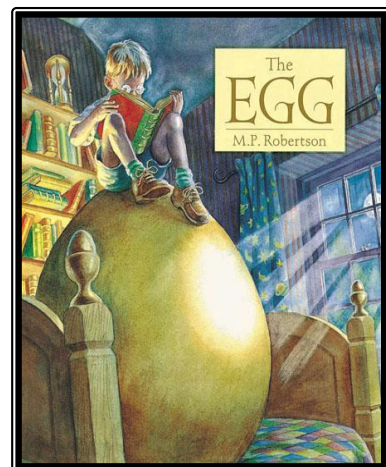

My name is Mrs Toennigs and I am so excited to be your teacher next year. We are going to have a great year getting to know each other and we will learn a lot!

Just so you know, here are some of the things you will learn in the first term in Year 2.

Our first topic is called **Towers, Tunnels and Turrets** and we will be learning all about significant people in History including famous engineers and monarchs

One of the class texts that we will share is called **The Egg** by M.P Robertson. This book tells the story of the surprising friendship between a young boy and the dragon who drops into his life quite by surprise! George knows something isn't right when he finds more than he bargained for under his mother's favourite chicken ...but when the egg hatches he finds himself looking after a baby dragon! Click [here](#) to read the book over the summer!

We will be focusing on our 2 times tables at the start of Year 2 so why not get a head start and practise them before September!

We will also be learning how to spell lots more new words and learning how to use them in our writing. Look on the back of this letter or click [here](#) to see the words you have to be able to spell in Year 2.

I am really looking forward to teaching you and I hope you have a fantastic summer. See you in September!
